Understanding the Progressive Careers Leader Training Offer

We are delighted to be launching the Careers Leader progressive training offer for 2021/22. This offer recognises the distance travelled in terms of the implementation and development of effective Careers Leadership in schools and colleges since the launch of the Careers Strategy in 2017. Join this session to find out about the training offer, what is expected, and how to apply.

Introduction to Future Skills Questionnaire

The Future Skills Questionnaire covers careers knowledge and skills, and skills for life and work, with versions tailored for key transition points throughout secondary education and for students with SEND. This webinar is designed for Careers Leaders in mainstream schools, special schools, alternative provision and sixth-forms who use Compass+. Participants will learn how the Future Skills Questionnaire can help you capture the learning outcomes of careers guidance based on your students' perceptions and support individual student needs. The session will inform improvements to your careers programme. There will be opportunities to ask us anything about Future Skills Questionnaire and find out how to access free training and in-product support.

Getting Ready for Ofsted

Reprising the workshop that shares The Careers & Enterprise Company guidance on the new framework, this session covers what a 'deep dive' into careers at an Ofsted inspection might look like and how this insight can be used to support Careers Leaders to prepare for inspections and use the new framework to influence SLT engagement.

Early booking is recommended as this highly evaluated session has limited capacity.

Please cancel your place if you find you can no longer attend having registered, as a waiting list is likely.
