

YEAR 8 LMI LESSON 3

HEALTHCARE LESSON PLAN

This lesson requires a computer room to be booked. The resource is a pupil-led quiz, the answers are found on a range of websites, and therefore the students are not only researching healthcare careers, but also exploring various careers and LMI websites that we want to signpost them to:

- www.healthcareers.nhs
- <http://www.hurworthschool.org.uk/students/careers/labour-market-information/>
- <https://www.teesvalleycareers.com/education/wp-content/uploads/sites/3/2019/02/Health-and-Socialcare-Factsheet.pdf>
- <https://www.findajob.dwp.gov.uk/>

Within the resource, pack there is also a teacher guide sheet explaining the answers. It is important that students take this opportunity to ask questions about the information they are analysing.
