

# Worksheet 4

**Joshua has to make an informed support plan and utilise the expertise of others. How might the skills of these other professionals support the Healthcare Social Worker to support Grace's transition the best way they can?**

Look at the different jobs and discuss:

- Which of these roles are the most important to supporting Grace's transition? Which one would Susan feel more confident talking to and why?

| <b>Job role</b>   | <b>Rank in order of importance supporting the prosecution of a suspect.<br/>1 = most important<br/>6 = least important</b> | <b>Choose one you could most see yourself doing and why</b> |
|---|--|---|
| Police Officers<br>A Police Officer maintains law and order in a local area so that the members of the police feel protected as well as their property. Police officers also prevent crime, reduce the fear of crime and improve the lives of all citizens. |  |   |
| Doctors<br>They treat all common medical conditions and refer patients to hospitals and other medical services for urgent and specialist treatment. They also focus on the  |  |   |
