across the curriculum

There are a number of key resources available to support Career Leaders along with a comprehensive free training offer.

We recommend that Careers Leaders access the following key resources:

School Toolkit/College Toolkit/SEND Toolkit– Our practical toolkits focus on all the Gatsby Benchmarks. They are designed to help schools and colleges identify what ‘good’ looks like across the eight benchmarks.

I personally have found the role considerably enhanced by completing the L6 diploma in Careers Guidance and Development to fully understand the theoretical principles which underpin careers work and I would strongly recommend this to any prospective Career Leader or as a way to refresh an experienced Careers Leader.
