# what is workplace Live!?

You are invited to put your skills to the test in the Workplace Live! arena

Inside the arena, you will find a wide range of real workplace challenges hosted by expert Business Mentors. You will be supported to pre-plan which challenges you attempt based on your strengths, interests and future goals.

Every student will get at least 30 minutes inside the arena and you will need to collect at least 3 challenge stamps from the experts you visit.

At the end of the day, we will ask our experts: which students impressed them the most? These students will be crowned our 'Sector Champions' and will win a Workplace Live! goody bag.

Many more exhibitors listed in your student guide!
