

MORE!

A SEND Career Development Programme
for Students in Mainstream, PRUs, SEMH and
AP educational settings from **Talentino**,
probably the leading SEND Careers provider.

TALENTINO®!

Our Aim is to maximise the possibility of achieving the next best step for young people who experience multiple barriers including those with SEND in mainstream by building personal skills and character; employability and enterprise skills and career management skills.

MORE PROGRAMME

Programme Content

- Personal
- Social.
- Employability.
- Enterprise.
- Career management skills.

Target student groups

- Career SEND Group Two – typically working at L2, L1 and EL3 who may experience multiple and often unseen barriers.
- Students may or may not have SEND or an EHC Plan.
- Year 7 upwards.

Methodology

After carrying out a Careers Health-check and co-producing a SEND Career Development implementation and action plan, academic staff are trained by Talentino to facilitate the programme with young people in the target groups using specialist careers content. There is an optional coaching skills course too.

Gatsby Benchmarks

The programme is aligned to and supports the eight Gatsby Benchmarks and the aims of the Careers and Enterprise Company in addition to linking to Preparation for Adulthood aims. It cross references activities for Compass recording.

Educational settings

- Mainstream.
- Sixth form Colleges.
- FE Colleges.
- PRUs.
- AP.
- SEMH schools.

“Talentino’s overall mission is about ensuring access to quality early careers education and guidance. This mission takes priority over all other concerns.”

Talentino helps your special school, mainstream school, or FE College to deliver better careers guidance through our specialist SEND Careers programmes which:

- Improve your Careers strategy and overall structure.
- Equip you with SEND specialist careers resources.
- Train your staff to be more confident delivering careers guidance to SEND students.
- Grow the number of employers working with you.
- Increase the number of Gatsby Benchmarks improving the range of destinations your students consider.
