

HEAP 2025 Gatsby Benchmark Mapping

“The Benchmarks are an influential framework that describes good practice; although they aren’t a legal requirement, they do underpin what Ofsted, the Quality in Careers Standard and others who might review your careers programme look for.”

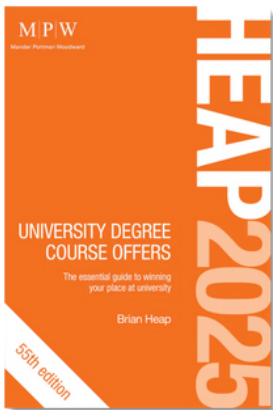

- *The Careers Leader Handbook, p21*

At Trotman Indigo Publishing, we understand that it is essential for each of your careers resources to support your school in achieving the Gatsby Benchmarks, so to make this easy for you we have created a quick guide to help you see how our publication *HEAP 2025* can help you provide outstanding careers guidance.

Designed for the busy careers leader supporting students in accessing further education, and there are several features that will help you provide an outstanding careers curriculum and meet the Gatsby Benchmarks. The table below details which features can support you with each benchmark.

Gatsby Benchmark	Features
1 A stable careers programme	N/A
2 Learning from careers and labour market information	<ul style="list-style-type: none"> Chapter 1 provides the latest subject-specific graduate employment statistics, offering insights into how curriculum learning can be linked to career opportunities.
3 Addressing the needs of each pupil	<ul style="list-style-type: none"> Chapter 7 includes a comprehensive list of up-to-date course options ordered by UCAS points. You will find a variety of qualification routes, including degree apprenticeships and ‘sandwich’ degrees, to help your students find a course that fits their needs.
4 Linking curriculum learning to careers	<ul style="list-style-type: none"> Chapter 1 provides advice on university course choices based on school subjects and career interests to highlight the relevance of subjects for a wide range of career paths.
