

DELIVERING THE ATE RESOURCES

This short guide is designed to explain how the different ATE resources can be combined.

- Both slide decks are ready for delivery as they are, but you can add the other ATE resources and deliver them at the same time, or separately.
- It is up to you at which point you decide to add the additional slides, but you will find guidance and suggested ideas in each slide deck.

1

Pick the relevant ATE slide deck

Choose either the KS3/4 slide deck or the KS5 slide deck:

or

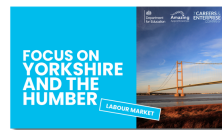

Use the FAQs resource to support your delivery

2

Add your region's labour market slides

There are instructions within the labour market slides on regionalising them even further for your area.

3

Add relevant sector film(s)
