

PROPEL PATHWAYS

Get employment ready. Your way.

Propel Pathways is a free website that helps neurodivergent young people build confidence, develop skills, and prepare for work. From creating CVs and cover letters to workshops on interviews and asking for adjustments, it gives your child the tools and support to take their next steps with confidence.

What can your young person do with Propel Pathways?

- **Build a clear, professional CV using an accessible CV builder**
- **Get step-by-step support to write cover letters for jobs and apprenticeships**
- **Join practical workshops on preparing for work, interviews and next steps**
- **Learn how to ask for reasonable adjustments and advocate for their needs**
- **Build confidence, independence and self-belief in a supportive environment**
- **Explore career options, apprenticeships and inclusive employers**
- **Develop employability skills designed around neurodivergent strengths**
- **Move towards achievable employment opportunities or further learning**
